Our Strength

The strength of our business model is our products and the ability to attract quality sales individuals who have an interest in promoting a green lifestyle.

The Independent EcoAdvisor™

Once you have been approved as an OnlyGreen™ EcoAdvisor™, you will begin building your own business. By recruiting, selecting and mentoring a talented team of EcoAdvisors™, you can increase your earning potential due to our attractive Compensation Plan. As an EcoAdvisor™, it is important that you become familiar with the key issues that affect health and the environment. This knowledge, combined with an in-depth understanding of our green lifestyle products, will enable you to develop your own team of EcoAdvisors™.

As an EcoAdvisor™, your earning potential is unlimited. In addition to the benefits of having a home-based business, as an EcoAdvisor™ you will enjoy an attractive commission structure and unlimited sales potential.

Rewards and Recognition

Our no-pressure, education-based selling culture is the key to our success. We will give you the right information and tools to help your customers make informed purchasing decisions. Just by selling our healthier eco-friendly products, you can experience unlimited income potential and rewards.

OnlyGreen™ has developed an attractive Compensation Plan designed to provide you with an unlimited income opportunity.

1. Start-up

Complete the OnlyGreen™ Independent EcoAdvisor™ Application and Agreement Form today and receive your OnlyGreen™ Independent EcoAdvisor™ Starter Kit! You can sign up in one of two convenient ways! Sign up with your local OnlyGreen™ Independent EcoAdvisor™ in person or go online to www.OnlyGreen.com and fill in the easy step-by-step application. When you sign up online, make sure to tell us who introduced you to OnlyGreen™ and we will let them know that you have signed up as a new team member.

Becoming an OnlyGreen™ EcoAdvisor™ requires that you purchase a Starter Kit for \$179.00. This gives you the ability to represent our products and services and receive training materials to educate others about the need to make a difference. You will also save money on everyday eco-friendly items and earn money in the most conscientious way possible.

2. Build Your OnlyGreen™ Business

When you develop your OnlyGreen™ business, you are positioning yourself to do four things:

- Represent a complete lifestyle of high-quality eco-friendly products.
- Educate your friends and family about the alternative choices available.
- Enjoy the products and services at a significant discount.
- Earn extra income.

3. Business Success

Once you have been approved as an OnlyGreen™ Independent EcoAdvisor™, you can:

- Select the week to launch your OnlyGreen™ business.
- Schedule your EcoWorkshops, Business to Business discussions and other networking opportunities.
- Educate yourself with the information that is provided at the OnlyGreen.com Resource Center and on your Product Knowledge CD, and sign up for our online product training sessions.
- Remember you can sell using any of the following methods: Person to Person, Business to Business, EcoWorkshops, Fundraising, Commercial, Industrial, Retail, Institutional and via the Internet with your own personal website.

**Your dedication, skill and determination
will be paramount to your success!
You Can Do It!**
